MEMORANDUM FOR KY/CC

ATTN: Colonel Loretta Holbrook, CAP

FROM: HQ CAP/DOS

SUBJECT: Emergency Services Qualification Database Authorization

1. Per your request, Kentucky wing is authorized to utilize its emergency services qualification database en lieu of CAPF 101 cards on missions in accordance with CAPR 60-3, paragraph 2-2e4. It is our understanding that CAPF 101 cards will still be issued, and your qualification database will be used to avoid prohibiting members from participating on missions simply because they have not received their new card via mail yet. Your current database seemed acceptable to us for this purpose, and we hope this helps you in completing your mission assignments.

2. If you have any questions, please feel free to give me a call. I can be reached via voice at (334) 953-4228 during duty hours or at idesmarais@capnhq.gov via e-mail anytime.
